President's Message
Changing the World with
International President
Dr. Patti Hill

When you give someone a drink of water, you can quench their thirst for a day. But by building a clean water system, you change their lives—and their community—for good. That is the kind of big, sustainable impact that our greatest partner, Lions Clubs International Foundation (LCIF), helps us make every single day.

Our foundation gives us the support we need to expand our service and support our growing membership. But just like every great partnership, that support works both ways. We support LCIF and LCIF supports us. So, let's keep serving, and let's keep supporting great service at home and around the world with LCIF.

Yours in service,

Dr. Patti Hill
International President

Working Together for the Greatest Good

LCIF has magnified the service of Lions and Leos around the world for more than 50 years with your support. Watch a [special video message](#) from President Hill about how your support is a critical part of our collective impact and helps us make an even bigger difference every day.

With more than US\$39.2 million in service grants awarded last year, and over US\$1 billion awarded since 1968, LCIF is [Bringing Possibilities to Life](#) and empowering Lions and Leos to change the world.

Changing the Hearts of Lion's 5M9 District Governor Linda Albrecht-Norby

Mission 1.5 how do we begin!

Lions of 5M9 we've heard the talk, now let's start the work of building District 5M9 into an active, working, and growing district. We can then show our communities who we are as Lions and what we can do as Lions in the communities we live in.

Mission 1.5 as you know begins this year and here are the four priorities to get you started.

Priority One

Reach Your Service Potential – When we grow, our impact grows.
Increase membership to increase impact.
Reach our full-service potential and help others reach theirs.
Include all people in our clubs and in our service.

Priority Two

Create A Greener, Cleaner Environment
Increase our impact through environmental Service.
Connect and engage with our communities.
Attract new members and young members to serve with us.

Priority Three

Empower Even Greater Good – We're stronger together.
Be the leader in giving to LCIF.
Maximize support from your Foundation.
Transform lives together by serving critical community needs.

Priority Four

Share Your Story With The World – Take pride in changing the world.
Integrate marketing into our clubs and our service.
Raise Awareness of who we are and what we do.
Inspire our communities to serve with us as Lions and Leos.

The Lions organization has been active since 1920 and each of our clubs in 5M9 have stepped into the Lions Organization to help our communities and beyond. Look at your club charter and look at the date your club began. If we lose members and clubs, we can't move forward in our communities and we die!

So, if you die, what will your tomb stone read. It will show your charter date, a dash and the date you turned in your charter. But the important part is the dash, that's what you've done over the years for your community, district, multiple and beyond.

Talk amongst yourselves about the things you've done over the years. Have you helped with youth baseball teams, playgrounds and parks, veterans memorials, blood drives, saving the environment by collecting plastic and turning them into benches, sharing food with your community and the list goes on! Let's all work together to build our clubs membership and be the best we can be for the Lions and people of the world! Accept the Mission 1.5 challenge!

Let's become the best service organization and 'Change the World' & 'Change the Hearts of Lions'.

Inclusive, Relevant, Meaningful and Fun

Our mission is to empower Lions clubs, volunteers, and partners to improve health, and well-being, strengthen communities, and support those in need through humanitarian services and grants that impact lives globally, and encourage peace and international understanding.

We certainly are blessed to be members of the world's largest service organization. It can feel a bit daunting when we realize the millions of people around the world, that need our help. What can we, as Lions, do to assure that we are helping as many people as possible? We can start at home, in our communities, within our own clubs. We can start with the teamwork and collaboration that we do at the club level and make sure our communication and actions are **INCLUSIVE, RELEVANT, MEANINGFUL AND FUN**, for every member of our club. Serving and working together, is the grass roots solution to impacting those at home and around the world.

You, as a member of your club, are the voice that guides the direction of your club. The board members that you voted into their role are there to take your feedback, along with the feedback with the needs from the community and then develop goals and objectives. The next step is to have action plans developed that give all members of your club the opportunity to serve your community, while working together having fun with relevant, meaningful, and inclusive service projects.

Adapting this model of inclusivity with your club members will have a positive impact on club retention and be a natural magnet of recruiting new members to join your club to help serve those in need.

Together we can change the world.

Review of our Objectives under the Global Membership Approach Process

1. We will rejuvenate our district with new clubs and have the task of setting up 2 new clubs this year. Think outside the box with a branch or specialty club.

2. We will revitalize our clubs with new members to get fresh, new ideas, new opportunities to serve our communities. Just ask the person you just met to help with a service project.

3. We will re-motivate members with fellowship, fun and exciting service and fundraising projects. Tweak that "traditional" club project with new ideas to make it just a little different to draw more people or earn more money.

By increasing the number of helping hands our communities have, the greater the impact we can make in our zones, district and multiple.

I intend to see many of our 5M9 Lions in the months to come.

We can Change the World!

Bert Nelson for International Director

Bert would like to encourage you to attend the MD5M Convention in April 2023 in Winnipeg, Canada. The convention is a great place to learn more about what Lions can do and have accomplished. Not only will you meet new Lions and old friends, but you will also have the opportunity to vote for our next International Director from our great multiple.

PCC Bert Nelson has been a member of the New York Mills Lions club in Minnesota since 1991. He became a Lion to meet members of his community, but since then, he has become a Lion who loves how this organization

gives him to opportunity to help others in need around the world.

Bert soon became a zone chairman after joining Lions and began to see the level of work on the district, multiple and international level. When his mentor become District Governor, Bert created the job of District Newsletter Editor in 5M-9 to help free up some of the Governor's time. He was editor for 10 years during which two of his monthly issues received Honorable Mention in the International Newsletter Contest.

As 5M-9 District Governor, Bert and Pam thoroughly enjoyed working with the other governors of MD5M and they are still a tight knit group who get together every year for a reunion. Visiting the clubs of his district, Bert loved seeing what the clubs were doing and encouraged them to keep going in their services. Bert was a 100% Governor in membership growth.

Bert's true passion for helping a Lion become a better leader/person was created when he became an instructor at the original Regional Lions Leadership Institute and taught for 14 years. He is proud of the graduates from RLLI and enjoys watching them grow in their own Lions future. Bert has also presented a seminar at five USA/Canada Leadership Forums.

For the last 11 years, Bert has been MD5M's LCIF Chairman. He has consistently kept our great multiple in the top three contributors to LCIF in Area 1.

With all his involvement in Lions, you would think Bert had no time for other things, but like Pam says, if you want something done, ask a busy person. Bert held the job of Township treasurer for over 20 years. He was on the Church council as trustee. Bert currently is a 30+ year fire warden and a pyrotechnician. He has been helping area communities celebrate by setting off fireworks shows for 20+ years. For the past 30 Christmas's, Bert has been New York Mills Santa Claus at their festival. He was told by a little boy who had seen Santa in another town that "he (Bert) was the real Santa".

Bert and Pam have 3 children and 3 grandchildren. Bert enjoys deer hunting, golf, playing cards, and uplifting the mood by telling a joke or two. Life is just better with happiness in it.

Then comes the **McGregor Lions 56th Annual Corn Feed**, Labor Day Weekend. Despite the 95 degree temps the Families still showed up to support this annual event. There are all sorts of activities for the kids, including face painting. One of the most popular games is our "Lollipop Tree" where the kids pull a lollipop from the tree with a color code on bottom and get to pick out a stuffed animal. Lion, Karen Chenery, pictured with her two grandkids, Anita and Isaac, showing off their animals. We had 270 stuffed animals to give away. We are

Always looking for stuffed animal donations. Paisley has decided to decorate her corn with some candy floss. A great time is always had by all. In its 56 years, the Corn Feed has never been rained out. Quite a record!

The McGregor Lions sponsored their first, but probably not their last, "Music in the Park" the Thursday before the Corn Feed, Labor Day Weekend, to get us in the mood for fun. "Last Call" provided us with great music and entertainment and the kids had a blast.

Lions Clubs International
FOUNDATION

Disaster Relief

When disaster strikes, we respond. We provide funding to address preparedness and immediate needs that allow Lions and their partners to be among the first on the scene in the wake of the world's most devastating hurricanes, earthquakes, floods, and other disasters.

This has been a terrible few weeks for many areas of the world from the fires in Maui, earthquakes in Morocco and now flooding in Libya. Each of these disasters has taken thousands of lives, destroyed infrastructure and destroyed the hopes and dreams of citizens.

How can we help? Individually we can't do much but together we, along with our fellow Lions, can do so much. Our International Foundation is already putting together financial support to help with immediate and future needs. Our financial support is needed.

Please note that donations to the Disaster Relief Fund are not eligible to receive District & Club Community Impact Grants but they do count towards the Melvin Jones Fellowships.

We are encouraging all clubs to have a club LCIF Coordinator. Training with a general LCIF info session is being planned for October and November with other leadership training.
