

2020 MID-WINTER CONVENTION INFORMATION  
"Looking Toward the Future with 20/20 Vision"

It is never too early to start thinking about the 2020 Mid-Winter Convention. The Convention is being co-hosted by the Hackensack, Backus, and Pine River Lions Clubs. We have been busy planning the who, what, and how of all the various tasks involved in getting ready for the convention. As part of our preparation, we are putting the registration form, Cragun's Room Reseration Form, and our ads sales form in this newsletter. The ad sales form may be used by any Lions Club to purchase an ad for their club. It would be difficult for us to physically visit all the cities in our district to solicit advertising. Because of this, we are asking our fellow Lions to contact the businesses in your location who might be interested in buying an ad and become our liason to that business and sell them an ad. We look forward to seeing everyone at the Mid-Winter Convention in January of 2020.
